

AMSLER GRID RECORDING CHART

INSTRUCTIONS

- Use with a reading light at normal reading distance, with reading glasses (if you wear them).
- Cover one eye.
- Look at the dot at all times.
- While looking at the center, and only at the center, be sure that all the lines are straight, and all the small squares are the same size.
- Note any irregularities (wavy, distorted, blurred, discolored).
- Test the other eye.

IF YOU SHOULD NOTICE ANY IRREGULARITIES, NOTIFY OUR OFFICE IMMEDIATELY.
